TERM 2 CRITICAL FOR SENIORS
I will be impressing upon the senior school (Years 11-13) that Term 2, is a critical time to focus on assessments, attending all classes and ploughing through the syllabus.
Please support the college by:
- Ensuring that they do a minimum of 2-3 hours of school work per night and 4-5 hours in the weekend;
- Check they are not too distracted from school work by part-time employment, their social life or technology pastimes;
- Checking their assessment schedule;
- Liaising with their teachers if you have any concerns.
At this stage of the year, students in the senior school are receiving feedback on how many credits they have achieved and at what level. This will let them know if they are on target to achieve level 1, 2 or 3. Please ask your children to share this information with you. They can also access the NZQA website to check on their progress. If you have any concerns, contact their teachers. Senior exams commence Tuesday 6th June.

The New Zealand Opera considers one of its key roles is to identify talented New Zealand singers and provide them with support through the many stages of their operatic career, igniting their passion that will last a lifetime and foster young talent and enthusiasm along the way. The opportunities enable young people to participate in and engage with different aspects of opera and the performing arts.

Congratulations to ex pupil Declan Cudd who has been named as a Freemason’s NZ Opera Artist.

Kia ora tātou. Warm greetings to you all from the Counsellors

You might have seen, or at least read in the national media recently, about streaming company, Netflix’s, new series: 13 Reasons Why.

The show, that went online three weeks ago, depicts a teenager called Hannah Baker, who commits suicide. She leaves behind 13 recorded tapes, one for each of the people she says caused her to end her life. It also shows two graphic rape scenes, as well as an unspeakably grim three-minute scene of Hannah’s death.

There is no doubt that the online series may be “resonating” with young people, (it is compelling viewing) and it has given youth a chance to discuss an often-taboo subject. However, I feel there is the need for awareness in parents for caution in how young people who choose to watch the series, can be supported in doing so.

The following communication was sent to School Counsellors by the New Zealand Association of Counsellors (NZAC). Here are some key extracts.

There are many dangerous ideas throughout this series; the sensationalising of teen suicide, and that school guidance counsellors are ineffective and unlikely to be trusted for help.

A recent media story quoted the Mental Health Foundation’s description of the programme to be irresponsible, unsafe, and unethical”.

Our own NZ Association of Counsellors (NZAC) Executive Member, Sarah Maindonald, shared the Foundation’s view, as do we all – that the messaging is dangerous.

Sarah said: “If you’ve got a 14-year-old girl who’s already thinking about [suicide] because her life’s pretty miserable – she might be bullied at school, or she hasn’t got much support or friends, or she’s not very good at expressing herself or asking for help – and she’s seeing a glamourous picture in a drama, you know, this girl [in the show] does end up suiciding and leaves notes and suddenly everyone’s talking about her and getting this kudos.”

What I would like to emphasise is the importance of staying connected with our young people through talking. If a young person is isolated and vulnerable, talking with adults who care.

We will try that option again as there is currently a bye in the draw for the mixed grade.

If your daughter is keen to play Thursday as well, please let me know. The payment will only be the game fee.

RUGBY 2017

The 1st XV travelled to Matamata last Friday to play Matamata College under lights at the local rugby club, this has been a regular pre-season outing for the last couple of seasons and JPC have never been on the right side of the ledger. Again Matamata was an ominous task having just returned from a tour in Argentina. JPC took an early lead and dominated the play in the first half leading at half time 19 - 7. JPC got the jump in the second half taken the score out to 36 -14 then Matamata came back late in the later part of the half to score 2 quick tries with the final result 36 - 26 to JPC. A good last hit out before the competition starts this weekend.

The boys from the team also attended the recent Dawn Parade at Ohinemutu, supporting the remembrance of the Anzacs.

We are still looking for boys to play for the combined JPC/Reporoa team. Please come to training on Tuesday and Thursday to register your interest. We have also changed our training venue to the top fields behind the Rotorua Stadium. Access can be off Carter Drive or Petrie Street. Training is at 3.30pm

This weekend is the first competition games for all our teams Please get along and show your support.
