

Information for Parents and Caregivers

Dear Parents / Caregivers,

This Activity contains significant risks, detailed below. **JPC School staff are responsible for this trip and will manage risks** and hazards according to the JPC Education Outside the Classroom (EOTC) safety management plan. This includes careful risk management forms and procedures. While risks can be maintained at acceptable levels they cannot be totally eliminated. Some risk is retained for its learning and experiential value. If you wish to come into school to see our safety management systems or have any questions, feel free to contact me.

It is important for safety reasons that students follow instructions given to them by all staff and follow all appropriate school rules. Behaviour by students that is deemed dangerous and puts themselves and/or others at undue risk will result in possible removal from the EOTC activity and their return to school.

Please feel free to contact me at school with any queries on tim.bell@jpc.school.nz

Yours faithfully
Mr Tim Bell

Year 13 Dean
