

John Paul College Policy

APPOINTMENTS POLICY

Outcome statement

The best applicants are appointed through a fair, rigorous appointments process.

Scoping

To assist in the appointment of quality staff to any vacancy that may arise, appointment committees with expertise relevant to the vacancy will be selected to carry out the appropriate appointment procedures. In accordance with the regulatory requirements for safety checking under the Children's Act 2014, we demonstrate our commitment to the safety of children by adopting appropriate safety checking practices when employing school staff, whether core workers, volunteers or other. This policy is used in conjunction with John Paul College's procedures on safety checking, Police vetting and screening.

Delegations

The board delegates authority to determine the composition of the various appointment committees according to the schedule outlined below. Appointment of the principal is the responsibility of the board, which will determine the process and seek NZSTA advice.

Expectations and limitations

The principal must ensure that:

- appointment of deputy principals, head of departments/senior teachers will involve an appointment committee consisting of the principal, the board chair and, at the discretion of the board, a further trustee.
- unless determined otherwise by the board, appointment of all other teachers, part-time teachers, long-term relieving teachers and non-teaching staff will be the responsibility of the principal in consultation with the board chair or delegate where deemed necessary.
- procedures are in place and fully implemented that meet all legislative requirements regarding safety checking, Police vetting and screening of all staff.

In the case of Community of Learning | Kāhui Ako membership:

- Staff seeking the Communities of Learning | Kāhui Ako leadership role or the teacher across school's role must seek and receive consent from their employing board before applying for the role.
